

To boost your booth attractivity, you can add a logo, header image or video banner in your company profile. See logo and/or image sizing and specifications below. Note that a video can be streamed from YouTube or Vimeo.

1 Click on "edit" button at the top

2 Upload your image or add your video ID (link)

**Header image**

2

Add a header image or video on the exhibitor page. For image, we recommend using a 1200x675px (16:9 ratio) image, no larger than 1MB. For video, it could be live or prerecorded and hosted on Youtube or Vimeo, then paste the id here.

**Streaming platform**      **Video ID**

YouTube      <https://www.youtube.com/watch?v=> 2

**Logo**

+

We recommend using at least a 400x200px (2:1 ratio) image, no larger than 1MB.
