

# How to add a video on my company profile ?

As an exhibitor , you are able to upload an image, a live banner, or a video onto your company homepage .

To upload a file, go to your [exhibitor center](#) and click on « Company Profile ». In the first section, next to your logo, click on « Edit ».

You will then be able to add an image or a YouTube/ Vimeo link as a banner. It can either be a live or pre-recorded video, and you can change them during the day .
