Smart Tattoos

Image from Harvard Gazette article, "Feeling woozy? Time to check the tattoo."

Embedded Sensors

Image from The Verge article, "MIT & Microsoft Research made a 'smart' tattoo that remotely controls your phone."

Artificial Wombs

Image from NPR article, "Scientists Create Artificial Womb That Could Help Prematurely Born Babies."

Image from Oxfam International blog, "Of the World's top 100 economic revenue collectors, 29 are states, 71 are corporates."

CRITICAL VALUES FOR THE AGE OF INTEGRATION:

- SYNTHETIC
- HOLISTIC
- ANTICIPATORY
