- On clicking, the user will be directed to the “Vehicle Entry Permit” page.

Vehicle Entry Permit – Creating a New Request

Vehicle Entry Permit – Creating a New Request

1. Specify the name of the company for whom the vehicle entry permit is requested in the “Company” field.
2. Specify email details of the requestor, MBS Manager and any other contact person.
3. Next specify the name of the “Person in charge”.
4. Specify the name of the event for which the vehicle entry permit is needed.
5. Provide a “Contact Number” on which the person-in-charge can be contacted.

Vehicle Entry Permit Request form (Vendors, Contractors and Delivery Agents to fill-up)

* Company	ABC Limited 1	* Requestor's Email	abc@companyname.com
* Person in charge	AB Lim 3	MBS Event Manager's email 2	mgr_first.lastname@marinabaysands.co
* Event Name	Year End Appreciation 4	Other's email	
* Contact Number	12345678 5		

Vehicle Entry Permit – Creating a New Request

1. Next specify details on the vehicle. Note that private vehicles are not allowed.
2. Specify the vehicle number.
3. Next, specify the estimated date and time when the vehicle will arrive. Note that the arrival date should be later than today's date.
4. You can either type the date and time, or select using the date picker. To select the date, click the Date Picker.
5. Select an appropriate date.
6. Enter a time in the Time box.
7. Click the green check box to confirm your selection.
8. The exit date will auto-populate once an entry date has been specified.

- This Entry Permit should be submitted to MICE Logistics, at least a day prior to the required date. The cut-off time is 1700 hrs.
- In case of any queries or assistance, kindly contact MICE Logistics @ 81389867.
- The Entry Permit will be emailed back to the delivery agents.
- The endorsed Entry Permit must be prominently displayed at the vehicle windshield prior to entry
- MICE Logistics reserves the right to change Loading Docks subject to operation needs without prior notice to vendors

Height Limit at the Centre is 4.20 metres

Vehicle Entry Permit – Creating a New Request

1. The “Contactor Work Ethics” section provides guidelines that must be followed by the contractor.
2. By default, the check box for compliance with the rules and regulations, contractor work ethics and notes is checked.
3. Click “Submit” once you have entered the required details.

Sands Expo & Convention Centre
Contractor Work Ethics

1. Be properly attired and minimize noise
2. Strictly no smoking and littering, unless in designated smoking areas
3. Must always use Back-Of-House (Staff Corridors) for materials deliveries/collections, unless special approval is given by MBS for Front-Of-House access
4. All equipment and items delivered to the venue, must be free of pests
5. Adequate and proper carpet protection must be observed, when moving heavy items on carpets
6. No moving of materials on trolleys or bulky items, using venue's guest lifts and escalators
7. No illegal storage in AV closets, fire cabinets, fire staircases, airwall pockets and in any other parts of the property.
8. Set-up materials should be free standing, and note leaning or stowed against walls, airwalls and furniture
9. Food wastes must be disposed of in a proper manner at the Back-Of-House designated bins
10. No blocking of corridors, fire access points, doorways and freight lifts at ALL times
11. No idling, resting or sleeping on pre-function/foyer sofas
12. No sitting and resting on carpeted areas.

****Severe action will be taken against any contractor caught flouting the above regulations****

Thanks for your co-operation.
MICE Management Team

I agree with the Rules & Regulations and Contractor Work Ethics

Submit
